

## MAJOR OF MASTER PROGRAM (ENGLISH MEDIUM)

School	Major
School of Aeronautics	Aircraft Structures and Airworthiness Technology Fluid Mechanics Means of Transport Applied Engineering Flight Vehicle Design
School of Astronautics	Navigation, Guidance and Control Aeronautical and Astronautical Science and Technology
School of Marine Science and Technology	Acoustics Information and Communication Engineering Naval Architecture and Marine Engineering Armament Science and Technology
School of Materials Science and Engineering	Materials Science Materials Processing Engineering
School of Mechanical Engineering School of Mechanics, Civil Engineering and Architecture	Mechanical Engineering Solid Mechanics Civil Engineering
School of Power and Energy	Power Engineering and Engineering Thermophysics Aeronautical and Astronautical Science and Technology
School of Electronics and Information	Electronics Science and Technology Information and Communication Engineering
School of Automation	Electrical Engineering Control Science and Engineering
School of Computer Science and Technology School of Natural and Applied Sciences	Computer Science and Technology Pure Mathematics Computational Mathematics Applied Mathematics Operational Research and Cybernetics Optical Engineering Materials Physics and Chemistry
School of Management	Management Science and Engineering Business Administration
School of Humanities, Economics and Law	Applied Economics Law
School of Software and Microelectronics School of Life Sciences	Software Engineering Biology Biomedical Engineering
School of Foreign Languages (Only for Chinese Government Scholarship-Bilateral Program)	English Language and Literature Foreign Linguistics and Applied Linguistics

## MAJOR OF PH.D PROGRAM (ENGLISH MEDIUM)

School	Major
School of Aeronautics	Aircraft Structures and Airworthiness Technology Fluid Mechanics Means of Transport Applied Engineering Flight Vehicle Design
School of Astronautics	Navigation, Guidance and Control Aeronautical and Astronautical Science and Technology
School of Marine Science and Technology	Acoustics Information and Communication Engineering Naval Architecture and Marine Engineering Armament Science and Technology
School of Materials Science and Engineering	Materials Science Materials Processing Engineering
School of Mechanical Engineering School of Mechanics, Civil Engineering and Architecture School of Power and Energy	Mechanical Engineering Solid Mechanics Power Engineering and Engineering Thermophysics Aeronautical and Astronautical Science and Technology
School of Electronics and Information	Information and Communication Engineering Electronics Science and Technology
School of Automation	Electrical Engineering Control Science and Engineering
School of Computer Science and Technology	Computer Science and Technology Software Engineering
School of Natural and Applied Sciences	Mathematics Optical Engineering Chemistry Materials Physics and Chemistry
School of Management	Management Science and Engineering
School of Software and Microelectronics School of Life Sciences	Software Engineering Biomedical Engineering

## NORTHWESTERN POLYTECHNICAL UNIVERSITY MASTER AND PH.D PROGRAMS FOR INTERNATIONAL STUDENTS

西北工业大学  
NORTHWESTERN POLYTECHNICAL UNIVERSITY

**NO.1**  
**IN AEROSPACE  
 SCIENCE AND  
 TECHNOLOGY  
 IN CHINA**

Northwestern Polytechnical University (NPU), founded in 1938, is located in the historic city of Xi'an. Xi'an is the cradle of Chinese civilization and terminus of the ancient Silk Road, NPU is the only multidisciplinary and research-oriented in China that is simultaneously developing education and research programs in the fields of aeronautics, astronautics, and marine technology engineering. Since the establishment of the People's Republic of China (PRC), NPU has been one of the nation's key universities, and is ranked in the global rankings as 301-400 in Academic Rankings of World Universities for the 2019 year.

**One of the 36 Type "A" Universities receiving special support for developing a world-class University and Disciplines.**

**08** Aerospace Engineering

**08** Metallurgical Engineering

**49** Mechanical Engineering

**51** Automation Control

**76** Computer Science

**151** Materials Science and Engineering

**Global Ranking 301-400**

## APPLICATION DEADLINE

April 15, 2019

## DURATION OF THE STUDY

- > For Master student, 2.5 Years
- > For Ph.D student, 4 Years

## ELIGIBILITIES

1. Applicants should be non-Chinese citizens, and healthy
2. Applicants who apply for the master's scholarship should have their bachelor's degree and be under 35
3. Applicants who apply for the Ph.D. scholarship should have their master's degree and be under 40
4. Applicants should have good academic marks
5. Applicants should have strong capacity in scientific research
6. Certificate of English/Chinese Proficiency Level: HSK, TOEFL, IELTS, or GRE. (Applicants for Chinese-medium program should have certificate for HSK 5 and above. Applicants for English-medium program should have certificate for IELTS 5.5 and above)

## APPLICATION PROCEDURE

Online application system is the only acceptable method to apply and is only available before the deadline. Applicants should log into the online application system at the beginning of the registration period.

- Step1** - Complete the online application on the following web page: <http://admission.nwpu.edu.cn/>
- Step2** - Admission Committee will be organized to review documents of applicants and applicants' documents will be selected for further review by the relevant academic schools.
- Step3** - Applicants will be notified for further interview by email.
- Step4** - Send Admission Notice and other relevant documents. The registration deadline is 15th September 2019 (See the admission notice). If you fail to register within the time limit without the permission of the registration office of International College, you will have forfeited admission into this university.

## APPLICATION DOCUMENTS

1. Application form (auto-generated after the online registration)
- If the student wants to apply for the Chinese Government Scholarship, he or she needs to upload the CSC application form as well.*
2. Notarized highest diploma.
3. Academic transcripts.
4. Two letters of recommendation.
5. A study plan.
6. Notarized copies of research achievements.
7. Certificate of English/Chinese proficiency.
8. A copy of valid passport.
9. Physical Examination form.

## SCHOLARSHIPS

1. Chinese Government Scholarship (Full scholarship) <http://studyinchina.csc.edu.cn/#/login> (Application website).
  - > Tuition waiver
  - > Insurance covered
  - > Monthly stipend: 3000 RMB for Master, 3500 RMB for Ph.D
  - > On-campus accommodation
2. NPU President Scholarship Program (Full or partial scholarship).
  - Full scholarship*
    - > Tuition waiver
    - > Insurance covered
    - > Monthly stipend: 2000 RMB for Master, 3500 RMB for Ph.D
    - > On-campus accommodation
  - Partial scholarship*
    - > Tuition waiver
3. Shaanxi Provincial Government Scholarship (On campus students).
4. Alumna Wu Yajun Scholarship (On campus students). For more details please visit the website: <http://gjjyxy.nwpu.edu.cn/>

## FEE

**Tuition:**  
 30000 RMB/yr for Master,  
 38000 RMB/yr for Ph.D  
 Insurance: 800 RMB / yr  
 Accommodation: 550 – 1600 RMB / month

## APPLICATION PACKAGE

Visa documents.  
 Admission notice.  
 Registration materials information.  
 School brochures and map.  
*Note: These documents will be sent to admitted applicants in July or August.*
